DS-100 **HIGH-PRODUCTIVITY** **MAIL INSERTER**

The modular mail processor that
flexibly fulfills all your mailing needs

WE VALUE YOUR MAIL

MODULAR MAIL PROCESSOR DS-100

ADAPTABLE MAIL INSERTER DESIGNED FOR EVERYDAY USE

ADAPT YOUR SYSTEM TO YOUR NEEDS

The modular design of the DS-100 assures you that your future needs and job requests will be fulfilled by simply adding the right module at the right time - as your company grows. All configuration additions and modifications can be completed in less than one to two hours.

IMPROVE YOUR JOB ADAPTABILITY AND PRODUCTIVITY

Select the Automatic Job Setup function on the DS-100's large, easy-to-use display to automatically program the processing of new jobs in seconds, saving you valuable setup time. It takes less than two minutes to change from a #10 envelope to a 6" x 9".

SECURE YOUR DOCUMENTS AND ENSURE ACCURACY

Each feeder on the DS-100 provides automatic calibration of any processed item. This document security control requires no manual setup and ensures that all documents have been correctly processed throughout the system.

MAKE CODIFICATION SIMPLE WITH BARCODE READING

The DS-100 can be easily upgraded with the latest reading technologies to ensure seamless codification of your documents now and in the future, including the ability to group documents produced by different computer applications.

HANDLE HEAVY STOCK ITEMS WITH EASE

The insert feeders of the DS-100 can easily handle documents up to 5/32" in thickness, allowing you to process jobs for more kinds of brochures and booklets.

WHY CHOOSE NEOPOST?

Neopost is a world leader in mailing and logistics solutions. Our innovative solutions bring simplicity and efficiency to your mailing process to make your business run better. **Neopost brilliantbasics** benefits provide excellence in all our offers, from products to support and services. They bring you the best in **operational efficiency, mail quality and security, budget optimization and online management**. Whether for advice or support, you enjoy our **commitment** to supply first-class service - on the phone, on site or online. Benefit from immediate response times and remote diagnosis at our call centres, and fast dispatch of service engineers when needed. Find out more at www.neopost.com/brilliantbasics
